

What is a School-Parent Compact?

Our annual school- compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed Collectively Planned Cooperatively

The parents and staff of Freeport Elementary worked together and shared ideas to develop this school-parent compact. Title I Committee meetings are held each year to review and revise the compact based on our student's needs. Parents are welcome to provide feedback at any time.

Parents

- Will have your child at school each day on time.
- Will give your child a quiet place to complete homework.
- Will encourage your child to read or read to your child 20 minutes each day.
- Will participate in decisions about your child's education.
- Will be engaged in your child's education and ask for help from the school to assist your child in their efforts.
- Will emphasize the importance of "every day" math in your child's life.
